

STOP PRESS

Funded Orthopaedic Fellowship / Sabbatical in Cambodia

- Opportunity to work in Cambodia for either 6 or 12 months
- **Starting from 1st February 2010**
Available at short notice owing to a cancellation
- For post fellowship trainee or Consultant
- **With predominant interest in paediatric orthopaedics and/or reconstruction**

មជ្ឈមណ្ឌលវះកាត់កុមារ
Children's Surgical Centre

- At **Children's Surgical Centre Phnom Penh, Cambodia** www.csc.org
- As this is a new post it is not yet accredited for training, but will give good opportunity to see and treat orthopaedic and post trauma conditions in children in Cambodia.
- There is also scope to be involved in setting up orthopaedic care in a peripheral hospital within Cambodia
- The post has been set up
 - to work with British surgeon who has established the CSC hospital,
 - with backup support and visit from Trauma and Children's Orthopaedic Consultants from Oxford, England
 - with a substantial bursary and allowances for accommodation, living allowance, travel and insurance
- Please submit CV and covering letter explaining why you would like to take up this post to Mr Wainwright or Mr Handley (contact details below)
- Interview 4th December 2009 in Oxford
